BASIC DEGREE REQUIREMENTS: 91 CREDITS

91 credits in courses numbered 100 or above. "D" grades may be used to satisfy requirements but a GPA of 2.0 must be achieved within each area.

ADVISING NOTES AND RECOMMENDATIONS

- This is a guideline to meet the requirements for students interested in pursuing YVC's Bachelor of Applied Science in Business Management degree (BASM). Completion of this degree does not guarantee admission to the BASM degree at YVC and it does not transfer to a four-year university.
- This worksheet is only for advising purposes. Official approval of credits for degree completion is subject to the Yakima Valley College's Office of Registration and Records approval.
- Consult your business advisor on a regular basis for degree completion planning.

GRADUATION APPLICATION REQUIREMENTS

- Students must apply for graduation. Submit your graduation application form two quarters prior to the expected graduation date and pay application fee.
