Courses are subject to change and are determined by your high school or district. Confirm all course equivalencies with your high school counselor.

Ellensburg High School statement:

1 YVC credit = .20 EHS Credit

Example: 5 YVC credits = 1.0 EHS credit

It is the student's responsibility to verify that they are meeting graduation requirements while enrolled in Running Start.

Course content equivalency in some cases will require two (2) YVC classes to be taken to satisfy an EHS required subject. College coursework of any kind (Running Start, Enrichment) must have advanced approval of the counselor to qualify for EHS credit toward graduation. Running Start students must meet with their counselor each quarter prior to registering for Running Start classes.
